Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
424 Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I object to this proposal! The medication I have to order from Compounding Pharmacies is necessary to improve my health. I want the choice of using an experienced Pharmacy, and that means I have to order to obtain the compounded medicine. Not very many pharmacies are able to compound, and I've found most of them without knowledge of the natural hormones, etc.

Please do not take away our right to order from other places.

Please fold, seal, and mail by June 1
